RELEVANT EXPERIENCE / ACTIVITIES

Guild Education , Virtual	June 2021 – September 2021
<i>Client Services Consulting Intern</i>	
<ul style="list-style-type: none">Created and organized a reusable MBR Template for repeated discussions with our team's client: Disney. Within this project, included a strong mix of trackable quantitative metrics, associated Excel visuals, and qualitative talking points.Outside of this project and on a more regular basis, also aided team members with constructing Excel documents, set up meetings with team members and non-team members alike to gain multiple perspectives on brainstormed ideas, and overall, became more aware with how client services consulting operates internally under a professional setting.	
Project Ignis , Virtual	August 2020 – January 2021
<i>Consulting Project Manager</i>	
<ul style="list-style-type: none">Co-led an intercollegiate client service team of fellow consultants to provide market research and social media services for a re-emerging care package company (The Junk Box) based out of Chicago.Aided in project tasks, planned/organized weekly meetings, managed workflow, and set up clear/decisive assignments for the team to follow.Also personally collaborated and worked with a software company (Appsomatic) to aid with web-design and wireframes for the project.	
Michigan Business Group , Ann Arbor, MI	January 2020 – Present
<i>Consultant</i>	
<ul style="list-style-type: none">Provided consulting services for an upcoming VN game studio during their transition from an LLC to an S-Corp while also being educated on accounting and startup practices. Currently working on a second project for Nochi and assessing whether R&D tax credit would be eligible for the company.Within MBG, engaging in weekly market analyses, exercising casing techniques, analyzing and learning how to navigate financial records of public companies, etc.
